Voter registration forms are available in the Office of Financial Services and the Registrar (Admin 104) or at <http://www.votespa.com/en-us/register-to-vote/Pages/default.aspx>. If you are not registered to vote, or if you wish to change your registration, pick up the form or go online today. The website can also answer your questions about eligibility, voting rules, the location of your polling place, etc.

Dates to note:

October 11 - The last day to register to vote in the November election

November 1 - The last day to apply for an absentee ballot in Pennsylvania

November 4 - The last day for county Board of Elections to receive an absentee ballot in Pennsylvania

November 8 - Election Day

I encourage every eligible voter to exercise your right to vote!
