All students must complete 18 credits of *studio* art (including drawing, painting, clay/ceramics, and coursework beyond the introductory level in at least one medium) and 12 credits of psychology (including general, developmental, and abnormal psychology). Students lacking no more than 6 credits of preparatory coursework may be admitted to the program. Those students must submit documentation of completion of the outstanding preparatory coursework no later than the end of the first year of graduate study.

Please use the space below to list the courses* you have completed that satisfy the preparatory coursework requirements. The information provided here should match, exactly, the information provided on official transcripts or other supporting documentation.

PLEASE NOTE, ONLY COURSES WITH GRADES OF B (GPA 3.0) OR BETTER ARE ACCEPTED
